PUBLISHED WEEKLY IN CANAL POINT BY PAUL RARDIN

CIRCULATING THROUGHOUT THE VAST AGRICULTURAL AREA OF PALM BEACH COUNTY

Court Cases Double Five Years Ago

The rapid growth of the county which is reflected in a great many ways, is also shown in the number of cases which are handled through criminal court at the county seat.

In a survey of records compiled by J. Louie Carter, clerk of the criminal court, for the first six months this year show that a total of 1,269 defendants were filed on and that a total of 1,377 crimes were listed.

Carter said the differences between the defendants and the number of charges was brought about by one person having more than one charge placed against him such as in traffic cases when a single motorist might be charged with three different counts.

Speaking of traffic cases, Carter said that an ever growing number are showing up in criminal court with a total of 715 listed for the first six months this year.

By comparison the first six months last year saw 99 defendants charged with 1127 counts.

The total cases through June this year, Carter said, more than doubles the court actions for five years ago when 623 defendants were charged with 660 counts.

Going back to 1935, the first year the monthly record was kept, Carter said that in that year only 267 defendants were brought into court.

In the county court, which is also handled by Carter's office, this year has brought 131 cases and last year the first six months showed 120. In 1935, the first six months of the year listed only 99 cases in county court.

Williams Is First Pres. Of Sportsmen Club

The Lake Okechobee Sportsman's Club completed its organization at a meeting Friday evening electing C. E. Williams as president of the new organization. Other officers chosen were: Jimmy Adams, Chancery Bay, vice president; M. C. Carter of Canal Point, secretary-treasurer; and Gene Butler, Pahokee, sergeant-at-arms. Board members were selected from various Glades towns around the lake. They are: C. A. Thomas, Lake Harbor; Kelly Willis, South Bay; W. E. Lee and Emmett Roberts, Belle Glade; and Frank Wise Chancery Bay.

Constitution and by-laws were set up at the meeting and the charter accepted. Meeting dates were set for the first Tuesday evening of each month.

The aim of the club is to better fishing and hunting in the Glades area through planning and conservation.

Williams said the club hopes to be fully organized and ready for action by the beginning of the season.

Pahokee Lions Vs. Canal Point Lions

The Pahokee Lions Club will engage the Canal Point Lions in a softball game at City Park, July 15. Wives of members will be invited to attend the game, and following its conclusion a picnic supper by both groups at the park.

3 Accidents During July 4th Holidays

The Upper Glades section had a safe and sane Fourth of July with only three minor accidents reported during the 2-day holiday period.

The first accident occurred on the eve of the holiday season on State Road 15. Another minor accident was reported on State Road 27 south of South Bay Sunday afternoon. And Cpl. E. D. Dugger investigated another minor accident at the bridge on state road 15 in Canal Point. A tractor-drawn trailer hit a car parked near the bridge, but there were no injuries and the damage to the cars was slight.

Piloting Class To Begin July 17th

The Palm Beach Power Squadron is starting a new class in Piloting on Friday, July 17 at the Plorella Club, 4750 N. Poinsettia, West Palm Beach at 8 p. m., according to an announcement by Harold Turner, Chairman of the Piloting Class.

Mr. Turner stressed the fact that this 16 week course in boat handling is open to all men and women over 18 years of age, whether they are boat owners or not, and is given without charge or obligation.

The Piloting Class is the first course of the Educational Program, sponsored, nationally, by the United States Power Squadrons and is a pre-requisite to membership in any of the 140 Squadrons throughout the country.

This basic instruction course covers the following: Equipment and Government Regulations, Rules of the Road, Seamanship, Safety at Sea, Mariner's Compass, Aids to Navigation, Charts and Piloting and Manners and Customs on Shipboard.

According to John Manning, Commander of the local unit, the educational program of the United States Power Squadron offers a rare opportunity to young men of draft age, who subsequently may be called to service in the Armed Forces of our country, as the U. S. Army will accept a completely endorsed United States Power Squadron Certificate in lieu of a 4

(continued on page 8)

Donald Padgett To Preach Sunday

Donald F. Padgett, 25, son of Mr. and Mrs. Duncan Padgett of Pahokee, will leave this week to take his first charge as a Methodist minister in the Georgia Conference.

Next Sunday he will preach his first sermon, but the chances are he will be at ease in the pulpit. He has had wide experience as a religious youth worker, having served as president of the Wesley Foundation, a Methodist youth organization on the University campus.

A new paper developed by the American Cyanamid Company is being used to make bathing suits, dental bibs, shower slippers, rain caps, flower pots, summer apparel, molded baby carriages, truck coveys and many other products.

1,000 See Fireworks On Pahokee Dike

The Fourth of July fireworks display drew a record crowd to the city pier when approximately 1,000 people packed into the area on the waterfront to witness the second annual celebration.

Exploding cannons, blazing rockets, bursting stars, and whistling tracers flashed over the lake for almost an hour while car horns honked approval. A number of expensive stationary pieces were added to the display this year including "Niagara Falls" and "The American Flag in Battle."

The government levee acted as a amphitheatre for the spectators with cars parking four-deep on the lakeside slant. The City police department assisted by the Florida Highway Patrol officers handled the traffic smoothly with no traffic mishaps during the evening.

Milton Carpenter, the originator of the fireworks display, was in charge of the celebration which ran smoothly. Last year Carpenter started the movement by collecting money from relatives and a few friends for fireworks which he exploded from the city pier. A number of residents were on hand last year to witness the fireworks, but the crowd tripled this year. Carpenter widened the scope of solicitations and collected over \$200 which enabled him to put on a much bigger and better show.

Since the project is growing in magnitude perhaps some civic club will get behind it as a project another year.

Criminal Court Docket Set July 14

Sounding of the docket for the July Term of criminal court has been tentatively set for July 14 Court Clerk J. Louie Carter said this week.

Carter announced that Circuit Judge C. E. Chillingworth, pinch-hitting for Judge E. G. Newell, will convene the new term but the 100 undisposed cases awaiting action would not be set for trial until Judge Newell's return from his vacation.

Traffic cases will head the list but those that will draw the most interest are against Mayor M. C. Baker and Ex-City Clerk E. C. Ewing, the Lake Worth officials indicated by the grand jury and subsequently charged with bribery. They allegedly took funds from deceased bondsman Truman A. Lisey as a bribe not to reveal that Lisey had received over \$250,000 from the City of Lake Worth for bonds he had never delivered.

Sounding of the docket, said Carter, means that every old case pending in court will be brought up for trial or dismissed for lack of prosecution.

REP. B. ELLIOTT SPOKE TO CANAL POINT LIONS

Rep. B. Elliott was the guest speaker at the Canal Point Lions Club Monday evening at Community Hall. He summed up the state legislation passed at the recent legislative session. He was introduced by J. G. Weeks. Delmar Hooks, newly installed president.

Wildlife Officer Talks To Pahokee Lions

Herbert L. Worth, wildlife officer for this area, was guest speaker at the Pahokee Lions Club Tuesday noon at the Woman's Club Building. He illustrated his talk with a motion picture on "West Coast Fishing." His subject was "Fishing and Wildlife." He was introduced by Leonard Dobrow.

The following program chairman were listed through August 4th: Perry Duke, July 14; L. M. Collins, July 21; Clyde A. Canipe, August 4. July 28 will be committee reports according to the bulletin. Curtis Chase, president, presided.

C of C Studies Festival Financing

Directors of the Pahokee Chamber of Commerce decided at a meeting of the chamber Monday night at the chamber office that residents in Pahokee have not been sufficiently informed concerning the music festival which the chamber hopes to make the highlight of the season next winter. They delegated President Ralph O. Johnson to go before the various civic clubs and fully explain the purpose of the festival as well as outlining something of its nature. The decision came after a report on the questionnaires which were distributed to civic clubs last month and to which members did not respond too generously.

Plans for the festival, which were discussed at the meeting, proposed a program of music similar to the "grand ole o'ry" programs to be presented in an outdoor setting over a period of three days. The program would be designed to attract talent and tourists from all over the country. The first two nights of the festival would be devoted to screening the talent by means of contests the last night climaxing the festivities with a big show presented by the winners in the contests. Prizes would be awarded the winners, and admission would be charged for the night performances. Contests would feature singing, folk dancing, and numbers on string instruments.

Other phases of the festival discussed were free shows by contest.

(continued on page 8)

Four Persons Killed In Month Of June

There were 4 persons killed and 28 injured in 47 accidents in Palm Beach County during the month of June. Cpl. E. D. Dugger, head of the Pahokee Highway Patrol office, reports in the activity report released Monday. The property damage was listed at \$29,626.

Other items in the report included 107 arrests; 161 written warnings issued for improper driving and 240 for faulty equipment. There was one stolen car recovered and 86 motorist assisted during the month. Seventeen talks on "Safety" were presented over the radio and out of 993 who took examinations for drivers' licenses, 551 passed; 339 failed and 13 were incomplete.

Mrs. A. M. Pugh is the guest of Mrs. Guy VanLandingham in Cairo, Ga.

Waterfront Work Promised Soon

The Port of Palm Beach has promised to construct a temporary breakwater on the Pahokee waterfront with a promise that work on the project will start within the next week. Several months ago the port commission promised to include funds in its June budget to erect a breakwater which has been Pahokee Chamber of Commerce main project for the year. When funds were not set up in the budget a delegation from Pahokee including Rep. B. Elliott, Mayor Lewis Friend, Chamber of Commerce President Ralph O. Johnson and President of Pahokee Boat Club James H. Wilson, went to the commission and asked why the promise had not been kept. Port Commission Chairman Billy Burns and Secretary-Treasurer L. R. Bishop told the group that the commission was not in position to erect an expensive large-sized breakwater, but with available material it would erect a temporary structure.

Within another week if the commission keeps its promise a shipment of 60 creosoted wood 60-foot piling will arrive in Pahokee to start the project. The Port has promised to help drive the pilings but as the work progresses they expect assistance from local citizens.

The breakwater will probably consist of spaced pilings with reinforced screening between the piling to break the waves and ground-swells. The 500-600 foot breakwater will be a protection to the city dock which has been damaged several times since its erection and completely replaced once. The breakwater will also be a boost to the water sports program lunched by the Pahokee Boat Club.

Belle Glade Second In Sale Of Cattle

WINTER HAVEN—Ten Florida livestock markets sold 3,425 head of cattle and 3,075 hogs last week with six markets reporting gross returns of \$107,068.10.

The reports for the week are incomplete because of early closing of the office of State Markets Director L. H. Lewis to observe July 4.

Individual summaries: Belle Glade, 662 cattle; DeFuniak Springs, 28 cattle, 256 hogs; Gainesville Livestock Market, 883 cattle, 1,064 hogs; Gainesville Odom's Livestock Market, 192 cattle, 361 hogs; Jay, 28 cattle, 414 hogs; Kissimmee, 658 cattle, 124 hogs; one horse; Monticello, 172 cattle, 605 hogs, 27 goats; Okechobee, 341 cattle, 70 hogs; Tampa, 412 cattle, 66 hogs; Webster, 49 cattle, 158 hogs.

'53 Pahokee Building Permits Slumped

Frank Thompson, city building inspector, reports that building permits in the city slumped during the first 6 months of 1953. Total permits issued amounted to \$139,181, where as the last 5 months of 1952 the total was \$154,200.

Cinematic Chatter

By Malcolm Millar

Hello everybody! Patricia Medina's Spanish blood reaches 200 degrees Fahrenheit at the way most Spanish roles are portrayed on the screen. Miss Medina, the daughter of Laureano and Gonda Medina, rebels against the movie myth that a senorita places a rose in her mouth and hands on her hips when she wishes to appear seductive, and that she moves about to the rhythm of castanets. "Aboard Hollywood movies are laughed at when they portray Spanish girls of breeding as though they were all like Meri-mee's Carmen," says Pat. "I think it is about time that the screen showed Spanish girls as they really are." This is only one of the facets of the actress' belief in screen realism. "I think the public has outgrown a false sense of glamour," she contends. "People want to see life and characters much as they are. By that, I don't at all mean that the studios should stop making adventure pictures. But they must be believable, and seem possible, when they are viewed." Pat affirms that the day is over when an actress has to pad herself to appear fantastically voluptuous and paste on lashes that beat up a breeze like a punkah. "Naturalism is the vogue of the day in motion pictures," states the actress. "I, for one, am glad that the period of synthetic values is gone. Moviegoers need personal identification with the actors they see on the screen. When actors appear fantastic, and act that way, the ticket buyers feel foreign to what they are watching and leave the theatre either vaguely or actively unsatisfied." We agree with Pat, we do want more realism in our movie fare. See you at the movies—Mal.

West Palm Beach Base Ball Club To Select Queen

A score of young women from throughout Palm Beach county will compete in West Palm Beach Friday in the finals of a beauty pageant to select a queen of the local Indians baseball club. The event is being sponsored jointly by the ball club and the West Palm Beach Junior Chamber of Commerce. Winner of the event will go to Miami July 15 to enter competition for the Miss Florida International League state beauty title.

Among the contestants is Miss Betty Ann Jones, 20-year-old Fiesta Del Sol queen from Lake Worth who will be making her second bid for a county beauty title. From Pahokee comes Miss Donna Jo Spooner, Glades beauty who is being sponsored in the local event by the Pahokee Rotary Club. Miss Wanda Lou Harper a late entry, succeeds Lou Parmalee as Holman Lincoln's entry.

The Boca Raton American Legion Post has entered Miss Alberta Demyer, an attractive Michigan girl who will be making her first appearance in a Florida beauty pageant.

Miss Dianne Kagan, Juno Beach,

will be sponsored in the contest by the community of Juno Beach.

Other entrants in the event are Faye Anthony, Jean Martin, Mary Ellen Rost, Marilyn Clark, Mary Fullenwider, Sally Robinson, Marlene Haupt Francisco, Palm Beach, Carolyn Graham, Sarah Jackson, Lou Parmlee, Nancy Paty, Shayla Ann Christopher, Lou Porcher, Carolyn Jean Guilgent, and Maureen O'Brien.

Friday nights finals will be followed by a coronation ceremony when the Miss Indians queen will receive her crown.

The three judging events will be staged at Connie Mack Field and will serve as a curtain raiser for the regular ball games slated on all three nights.

Pam Boe Celebrates Birthday Anniversary

Pam Boe, daughter of Mr. and Mrs. Olaf Boe, celebrated her 7th at the Woman's Club building birthday anniversary with a party Tuesday afternoon. Assisting Mrs. Boe with the entertaining were Mrs. Hugo Boe, Mrs. R. A. Currip, Mrs. Boe's sister from Sarasota, and Miss Barbara Phillips.

Games and contests were played and refreshments of ice cream, cake and punch were served to 22 children attending. Each child was given a favor during the afternoon. Pam's grandmother, Mrs. P. H. Buchanan also attended the party.

America's trucks, comprising approximately 17 per cent of the total motor vehicle registrations, pay more than 33 per cent of the total special taxes collected from highway users.

Chief Osceola Saga Presented Nightly At Lake Wales

LAKE WALES—The saga of Chief Osceola and his people is being presented nightly except Monday at the Lake Wales Amphitheatre in the form of a spectacular historical drama entitled "Florida Aframe."

The thousands who witnessed the event during the past week pronounce it the most thrilling and entertaining attraction ever presented in Florida.

The action takes place in the middle of the last century and relates the Seminole viewpoint of the conflict.

Harried by white raiding parties

and plagued by famine and disease, the small Seminole nation was nevertheless able to humiliate the United States Army, completely defeat a series of generals and carry on a campaign so successfully that it stands today as the only black mark against the U. S. Army. Their eventual defeat came only through treachery by their enemies when their leader was taken prisoner under a flag of truce.

The drama will be featured throughout the summer and every Floridian should make it a point to see it.

Mrs. J. W. Mullis accompanied by Mrs. Sam McKinstry, Jr., are visiting Mrs. Mullis' brother-in-law and sister, Mr. and Mrs. David Blech in Gainesville this week.

On all these points
of comparison...

Chevrolet's farther ahead than ever!

... IN NEW AND ADVANCED STYLING—The new long, low, sleek lines of the 1953 Chevrolet set new standards of beauty in the low-price field. Here you will see careful detailing and a richness of appointments always before found only in much costlier cars.

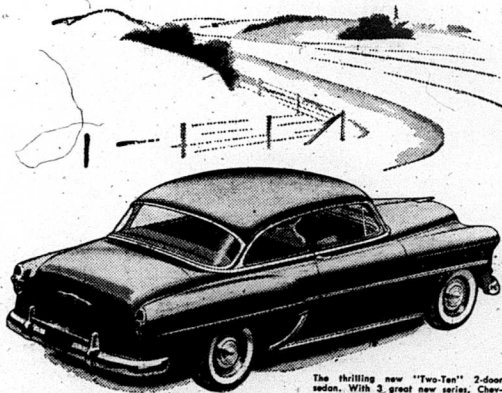

... IN HIGH-POWERED PERFORMANCE—The most powerful engine in the low-price field! The entirely new 115-h.p. "Blue-Flame" engine in combination with new Powerglide* brings you new high-compression power and a wonderful gain in economy, too. In gearshift models you will find the advanced high-compression 108-h.p. "Thrifty-King" engine.

... IN SMOOTH, SIMPLE AUTOMATIC DRIVING—Expect faster getaway with Powerglide's new automatic starting and passing range... and new economy, too. Chevrolet's new Power Steering* takes over 80 per cent of the work of steering, makes parking unbelievably easy.

... IN ECONOMY AND VALUE—Now, you'll get many more miles out of every gallon of gasoline. You'll save on over-all operation and upkeep, too. Yet Chevrolet remains the lowest-priced line in the low-price field.

... IN AMERICA'S FAVOR—Again this year—as in every single postwar year—more people are buying Chevrolets than any other car. In fact, latest official registration figures show that Chevrolet is over 25% ahead of the second-place car. Nearly 2 million more people now drive Chevrolets than any other make.

*Optional at extra cost. Combination of Powerglide automatic transmission and 115-h.p. "Blue-Flame" engine available on "Two-Ten" and Bel Air models only. Power Steering available on all models.

The thrilling new "Two-Ten" 2-door sedan. With 3 great new series, Chevrolet offers the widest choice of models in its field.

MORE PEOPLE BUY CHEVROLETS THAN ANY OTHER CAR!

Defense is your job, too!

THIS IS A DAY OF DREAMS COME TRUE... for the returning Korean War veterans pressing against the ship's rail and for their loved ones waiting on the dock. The counted days of waiting are over. The nightmare of war is behind them. These boys have been far across the seas doing a hard, dirty, bloody job... a job of defense—for you.

But defense is your job, too. It is our job to help make America's economy as strong and dependable as these men have made her military power. And your job can be not only easy but rewarding—in financial security for you and your family. Just buy U. S. Defense Bonds. Buy them now and buy them regularly. For your bonds and other forms of saving can make America strong. And in this warring world, *strength* is America's surest guarantee of peace.

So sign up for bonds today—through the Payroll Savings Plan where you work or the Bond-A-Month Plan where you bank. For your security and your country's, too, buy United States Defense Bonds regularly!

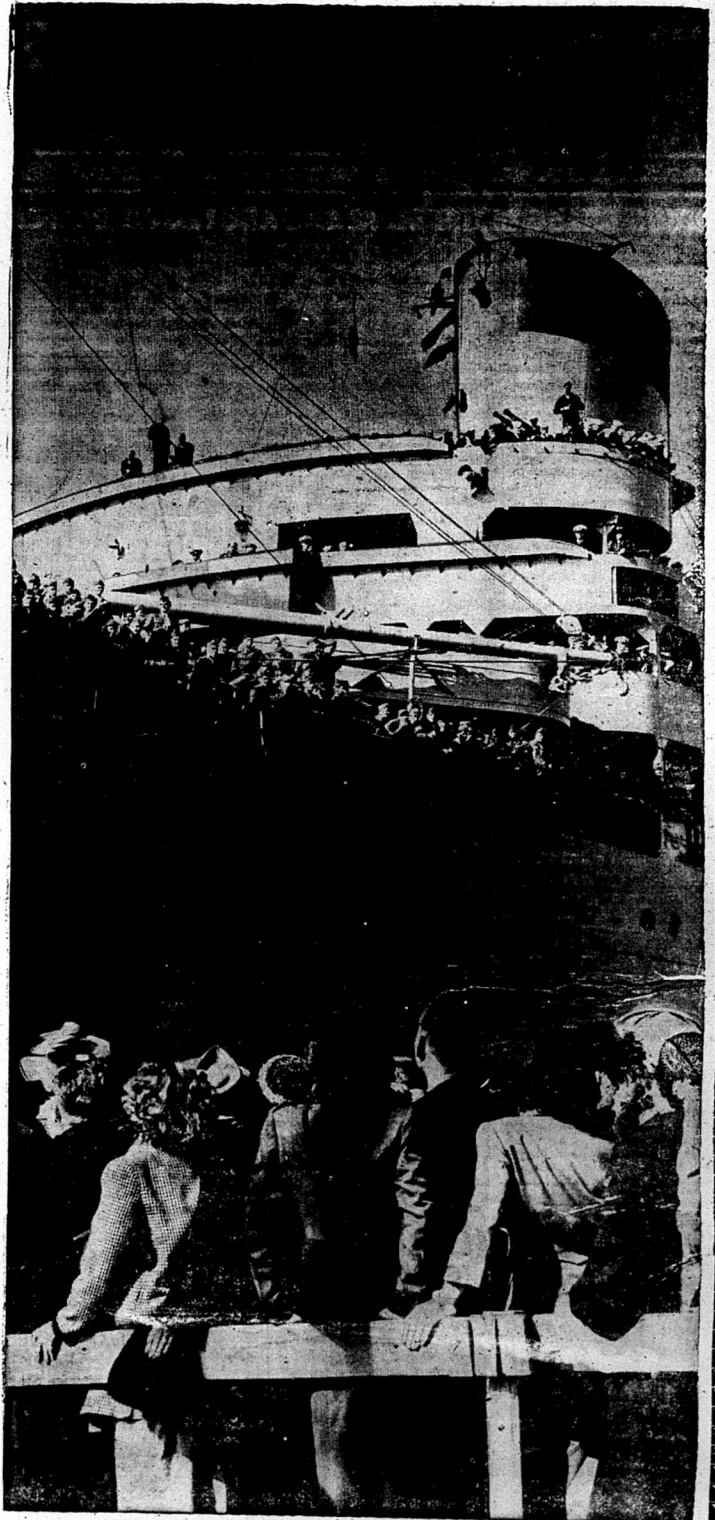

The U. S. Defense Bonds you buy give you personal financial independence

Don't forget that bonds are now a better buy than ever. Because, now *every Series E Bond you own* can automatically go on earning interest every year for 20 years from date of purchase instead of 10 as before! This means that the bond you bought for \$16.75 can return you not just \$25—but as much as \$33.33! A \$37.50 bond pays \$66.66. And so on. For your security, and your country's too, buy U. S. Defense Bonds now! Bankers recommend them as one of the safest forms of investment.

**Peace is for the strong...
Buy U.S. Defense Bonds now!**

DO YOU REMEMBER?

HAPPENINGS IN THE LAKE OKEECHOBEE REGION

25 YEARS AGO

The big mill of the Southern Sugar Company's ambitions program of operations in the upper Everglades will be located at Canal Point, The News was told this week, that decision having just been made. The new Canal Point mill will be of larger capacity than the mill the Southern Sugar Company bought from the Pennsylvania Sugar Company and is moving from Miami canal in Dade county and erecting at Clewiston.

The forecasted collapse of the Martin bonding scheme for Everglades drainage district occurred Thursday, and with it collapsed the Elliott plan of construction. Collapse of the Martin-Elliott plans does not mean abandonment of the drainage enterprise nor will it delay sound financing and adoption of a sound plan of reclamation.

The people of South Bay have waited long and patiently for their hard road and are now rejoicing exceedingly that the end is in sight. The Huffman Construction Company is making every effort to rush the work through to a speedy finish and the management assures us that the entire project from Belle Glade to the Hendry county line will be finished by November 1.

Lumber dealers at Canal Point, Pahokee and Belle Glade report they are figuring many bills of material for dwellings and other buildings but the placing of orders is held up by the lack of means on the part of prospective buyers to go through with the deals. The

need of buildings of all classes is recognized but capital is lacking. Of money and credit, houses are being started every day.

Mr. and Mrs. Willard G. Smith returned to their home in Pahokee Monday night from a vacation trip on which they traveled 6,000 miles in seventeen states. They had gone to Asheville, N. C., with the expectation that Mrs. Smith would attend a summer school but the work laid out in the school did not meet her requirements so they decided to spend the vacation on a motor trip. The trip was made in a new model Ford coupe, and the speed was fixed by the condition of the roads—from 35 miles an hour to 66 miles an hour.

Two refining companies are installing wholesale stations on East Beach—the Texas Company near the railroad crossing on the Canal Point-Pahokee line and the Gulf Company south of Pahokee. Piles are being driven for the Gulf station. The Sinclair Oil Company is understood to have bought a site at Belle Glade for a tank station. The Standard Oil Company has had a big plant at Canal Point for more than a year.

Miss Hilda Lee and John Vernon Thomas will be united in marriage Tuesday at the home of her parents, Mr. and Mrs. H. A. Lee, at Marianna, Fla. Miss Lee went to Marianna this week. Miss Lee is a sister-in-law of E. G. Kilpatrick, Jr., of Pahokee, and was employed in the Bank of Pahokee until recently. Mr. Thomas is a member of the firm of Barrett and Thomas of Canal Point, agents for the Gulf Refining Co.

Mr. and Mrs. A. Kaltenbruner left yesterday on a vacation trip that is expected to consume six weeks or two months. They will stop for a time at their summer home near Asheville, N. C., and motor into Arkansas, Oklahoma or any other place their fancy dictates. C. J. Ryan will have charge of the filling station and store in their absence and A. K. leaves word that anyone who owes him can make payment on account to Mr. Ryan. Mr. Kaltenbruner boasts that he has quit smoking, eschewing cigars or cigarettes, but he reserves the right to keep on cussing. He wants to be prepared to say what he thinks of the I. I. Board if he comes back and finds the country overflowed.

Harry Sheppard and Elizabeth Hawkins were married in West Palm Beach Thursday, June 28. Their many friends wish them a long, happy and prosperous life together.

Complimenting Misses Leora and Mary Stoops who are visiting Mrs. S. B. McDowell of Pahokee. Mrs. A. Hanson entertained at a delightful bridge party Thursday afternoon. Those invited in addition to the honor guests were: Misses Susie Maxwell, Janie Harrell, Lorraine Elliott, Lola Elliott, Gladys Dowda, Margaret York, Ina Mae Smith, Mrs. George C. McClarty, Mrs. Fay Atwell, Mrs. S. B. McDowell and Mrs. J. R. Poland.

Thomas A. Edison is asking for information about plants from which rubber can be produced in case of a national emergency.

While acting and sorting some chickens which he had sold to a party in Canal Point, D. L. Lence happened to a serious accident, when one of his young roosters pecked him in the corner of his eye, causing a very painful wound. The light seems to have been shining on Judge Lence's glasses causing them to glow and which to the rooster seemed a very tempting object. We have often heard of

hen-pecked husbands, but this is a new one on us.

A miscellaneous shower was given in honor of Mrs. Elizabeth Sheppard Saturday afternoon at 3 o'clock at the home of Mrs. Tom Sheppard. The color scheme was purple and gold. The bride was seated on a throne which was beautifully decorated. Several games were played and then little Mable Padgett presented the gifts to the bride. A beautiful bouquet of roses and carnations was also presented to her by Miss Hazel Elliott. The refreshments were limeade and cake.

How far is it from Canal Point to West Palm Beach by way of Belle Glade? Our speedometer showed the mileage from Canal Point to Belvedere Road as 51½ miles.

The Pahokee Womens Club met in regular business session Monday, July 2nd. A donation of \$15 was received from Mrs. Lydia Osborne, a winter resident of Pahokee and member of the club. The first of a series of card parties will be given this Friday afternoon at 3 p. m. Mrs. Walter Akerman in charge. Refreshments will be served and table prizes awarded.

Mrs. Walter Akerman has moved her shop into the corner store in the Rogers building. After the new fixtures are installed it will be one of the most modern shops to be found in this section.

The road from Port Mayaca on St. Lucie canal at the lake to Indiantown and Stuart is passable. Cars can get through from Indiantown to Jupiter on the old Jupiter-Indiantown road.

Glades farmers who want milk cows can always get them from H. T. Johnson & Son, who have the Raulerson Dairy at Mowat station 10 miles north of West Palm Beach.

Sugar cane back in the sawgrass on the south side of Conners Highway is not looking well. Cane in the sawgrass across from the mill is thrifty.

Commission Doubles State Advertising

TALLAHASSEE—The Fla. State Advertising Commission plans to double its output and facilities for the development of publicity in the magazine, newspaper, radio and television fields with the immediate establishment of a branch News Bureau office in Winter Haven.

Richard D. (Dick) Pope, founder of the famed Florida Cypress Gardens and vice chairman of the Commission, stated recently that the Bureau will be able to do a far more effective job of coordinating its activities with the various chambers of commerce, industrial development boards and other promotional organization through the new setup.

Morris Monts de Oca, chief photographer for the News Bureau, will head the photographic operations of the new branch office. Robert O. Wheeler, former Life Magazine staff writer, will manage the Winter Haven office.

Commission Director Beverly Grizzard announced the Tallahassee headquarters will continue to function as the administrative office for the Bureau, but its staff will concentrate its coverage on northern and northwestern Florida communities and in the creation of articles and features of statewide interest and significance.

The Commission at its last meeting in Tallahassee voted to increase its yearly allocation for publicity, promotion and public relations from \$84,933 to \$175,612, to open a central facility of the News Bureau which handles this work and to provide a mobile photographic unit.

Mr. and Mrs. Leon Burnett accompanied by Mrs. Burnett's mother, Mrs. Vera Summerlin of Deland, were week end guests of friends in Pahokee.

Personal Items

Edwin Rice is spending two weeks vacation in Washington, D. C., New York City, and visiting relatives in Asheville, N. C.

J. L. McCall, Sr. of Port Mayaca has just returned from visiting his daughter and son-in-law, Mr. and Mrs. Ronald M. Wright, of Canal Winchester, Ohio. En route to Ohio, he stopped in Atlanta to see his daughter-in-law, Mrs. J. L. McCall, Jr., and grand-children, Laurel and Dale McCall. During his stay in Ohio, he and the Wrights motored to Davenport, Iowa to visit his son, James, who is studying at the Palmer School of Chiro-

practic. Mr. McCall returned home via Norfolk, Va., where he spent some time with his daughter-in-law, Mrs. E. L. McCall, and grandchildren, Michael and David. Mr. McCall had been granted a convalescent leave following a recent automobile accident.

Mr. and Mrs. Alvin Armstrong and three sons have returned to their home in Hialeah after visiting his parents, Dr. and Mrs. L. W. Armstrong here over the week end.

Mr. and Mrs. M. L. Ellison and daughter, Gail of Milligan, Fla., are the guests of Mr. and Mrs. F. G. Gillis this week. Mr. and Mrs. Ellison also will visit Mr. Gillis' brother, A. G. Gillis in Clewiston.

Christian Science Group Of Canal Point

The subject of the Lesson-Sermon to be read in all Churches of Christ, Scientist, next Sunday is "SACRAMENT."

A verse from I Corinthians (5:8) furnishes the Golden Text: "Let us keep the feast, not with old leaven, neither with the leaven of malice and wickedness; but with the unleavened bread of sincerity and truth."

Scriptural selections include the following from John (21:15): "Jesus saith to Simon Peter, Simon, son of Jones, lovest thou me more than these? He saith unto him, Yea, Lord; thou knowest that I love thee. He saith unto him, "Feed my lambs."

Readings from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include: "Our baptism is a purification from all error. Our church is built on the divine Principle, Love. Our wine the inspiration of Love, the draught our Master drank and commended to his followers" (p. 35).

WSCS Board Donates To Memphis Church

At a meeting of the executive board of the Pahokee Methodist Woman's Society of Christian Service Monday afternoon at the church a unique plan for soliciting funds for building a church was revealed. A letter was read from the Colonial Park Methodist Church in Memphis, Tenn., asking the society for a spoonful of Pahokee dirt and a \$3.00 donation, for a new church which is being built. The local organization complied with the request sending \$2.00 from the Youth Fellowship fund and \$1 from the WSCS.

Members of the board voted to install locks on all cabinets in the church kitchen, and Mrs. Jack Spencer was named to check kitchen equipment out when borrowed and in when returned. Mrs. Arch Blakey, president, presided at the meeting.

New Commander Takes Reins Of Office

Melvin Spooner, newly installed commander of the Fred and Percy Mansfield American Legion Post, took over the reins of the post at its meeting Monday evening at the Legion Hall.

Boys State Representatives Wayne Burdeshaw, Pahokee, and Edwin Stuart, Canal Point, gave reports at the meeting, and Commander Spooner called a meeting of the executive committee to make committee appointments.

New Bookkeeper For Chastain Co.

Owen Todd has accepted a position as bookkeeper with The Chastain Company. He fills the vacancy left at the death of G. Lawton Sims, who had been with the company for several years.

Todd has been a student at the University of Miami for the past three years. He plans to move his family to Pahokee as soon as he can secure a house.

Garden Club Presents Teen Town Program

Mrs. C. M. Todd and Mrs. Lloyd Hundley a committee from the Pahokee-Canal Point Garden Club named to plan a 15-minute program for Teen Town presented a musical program at the youth center Friday evening. It consisted of a saxophone solo by Glenda Faye Russom, a trombone number by James Stamps, an accordion solo by Mrs. Todd, and a vocal solo by C. M. Todd.

It Is Unlawful For Any Person Or Persons To Engage In Business Under A Fictitious Name Unless The Name Is Registered

The fictitious name statute was recently changed by the 1951 Legislature and the News has the necessary forms for proper registration and advertising.

The charge for advertising the notice the necessary four times is \$15.

As amended by the 1951 session, the law reads as follows:

"It shall be unlawful for any person or persons, as defined herein, to engage in business as herein defined, under a fictitious name as herein defined, without and unless said fictitious name shall be registered with the clerk of the circuit court of the county where the principal place of business is, which registration shall consist of filing with the clerk aforesaid an affidavit signed by all interested persons, stating under oath the names of all those interested in the business enterprise, the extent of the interest of each, and the fictitious name under which said business is carried on. Said registration may not be made until the person or persons desiring to engage in business under a fictitious name shall have advertised his or their intention to register said fictitious name at least once a week for four (4) consecutive weeks in some newspaper as defined by law in the county where said registration is to be made, and said registration shall not be accepted by the clerk of the circuit court except upon receiving proof of such publication."

This means more money to you!

**NOW YOUR U. S. SERIES E BONDS CAN EARN INTEREST
10 EXTRA YEARS**

ALL YOU WISE and patriotic people who bought United States Series E Bonds ten years ago and have held them can benefit by this new law! For according to this law the bonds you expected to mature finally in 1952 can now continue to earn interest every year for ten more years—till 1962—without your even lifting a finger!

To get this extra money, there's absolutely nothing you have to do. Just hold your bonds and let them go on earning!

If you wish, you may still cash any Series E Bond at any time after you've owned it for sixty days. But you'll be better off to hold your bonds, just as you're better off to hold savings in any form.

First of all, as long as you don't cash your bonds, you don't have to pay income tax on the interest they earn. In the second place, cash in the pocket melts away fast—often with little or nothing to show for it. But cash in bond savings is always there—growing steadily toward the big sum which can buy something really worthwhile... And remember—the interest rate on Series E Bonds has been increased to 3% compounded semi-annually, when held to maturity.

So if you have bonds coming due, why not take advantage of your extra-income opportunity? Just sit back and let them go on mak-

ing more money for you. And meanwhile keep adding to your cash savings by buying more U. S. Defense Bonds regularly—through the Payroll Savings Plan where you work. It's the easy, systematic saving plan that's so helpful because it lets you save before you even draw your pay. Thousands on the Plan say it's the one sure way to save.

3 NEW MONEY-MAKING OPPORTUNITIES FOR YOU!

*New Series H, J, and K
Defense Bonds pay 2.76% to 3%!*

If you want to get the interest on your bonds in the form of current income, or if you want to invest more than the annual limit for E Bonds, ask at any Federal Reserve Bank or Branch about these new bonds:

SERIES H. A new current income bond, available in denominations of \$500 to \$10,000. Sold at par. Matures in 9 years 8 months and pays approximately 3% interest per annum if held to maturity. Interest paid semi-annually by Treasury check. Annual limit, \$20,000 maturity value. Issued only by Federal Reserve Banks and Branches and at the Treasury.

SERIES J. A new 12-year appreciation bond, available in denominations of \$25 to \$100,000. Sold at 72% of par value. Pays 2.76% compounded semi-annually if held to maturity. Annual limit, \$200,000 issue price jointly with Series K Bonds.

SERIES K. A new 12-year current-income bond in denominations of \$500 to \$100,000. Pays interest semi-annually by Treasury check at the rate of 2.76% per annum. Sold at par. Annual limit, \$200,000 issue price jointly with Series J Bonds.

**NOW EVEN BETTER!
INVEST MORE IN DEFENSE BONDS!**

The Everglades News

PAUL RARDIN, Publisher

Piloting Class To—

(continued from page 1)
year college education for applicants for commission in Harbor Craft Units of the Transportation Corps.

The first step to obtain this endorsed certificate is passing the Piloting Course examination. The student then becomes eligible to follow through the next 4 required courses, Seamanship, Advanced Piloting, Junior Navigation and Navigation. There are also offered elective courses of Weather, Sail and Engine Maintenance.

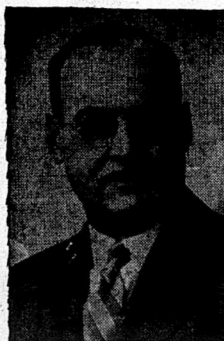

Com. Manning said, "There is no cost to the student other than a negligible charge for course material in advanced grades. In Piloting, there is no charge for student outlines whatever. It is one of the greatest educational bargains in our time," he concluded.

Registration may be made in advance through the Squadron Commander, John O. Manning, Yacht Club Dock, aboard yacht "SEA PHANTOM", West Palm Beach phone 2-2144, or at the class on Friday, July 17th at the Ft. Lottilla Club at 8 p. m.

TO BE SPEAKER AT LIONS MEET

W. J. (Bill) Henry, Representative from Okeechobee County, will address the Canal Point Lions Monday evening, July 13. His subject will be "Activities Around the Lake in Early Days."

Mr. and Mrs. Harlan Sears are spending several days with friends in St. Augustine this week.

Earl E. James, Oklahoma City attorney, was elected Grand Exalted Ruler of the Benevolent and Protective Order of Elks at the 39th Grand Lodge Convention in St. Louis July 6.

C of C Studies—

(continued from page 1)
ants during the day in various parts of the city, and festive floral decorations for the city streets. Clubs will be asked to sponsor food booths on the streets dividing the proceeds with the chamber to help defray expenses of the show.

Since the chamber is not in position to finance the festival it is calling for business men and clubs to underwrite the cost of the first show which has been estimated at \$2,500. If the proceeds from the

first festival warrant it the money advanced would be repaid by the chamber. If all could not be repaid, then the chamber proposes to issue non-interest bearing notes for the balance to be paid when funds are available. The notes, however, would not obligate the chamber for payment of the money.

Lair Athletic Field has been suggested as the site of the festival, with the programs being presented from large stages erected for the purpose.

If the project can be financed it would be one of the best advertising project the city could sponsor. The chamber is seeking to make it a permanent yearly festival.

Two Dog Tracks Fight New Law

TALLAHASSEE—Two Florida dog tracks have appealed to the courts to declare unconstitutional the new law giving the state a larger share of dog track revenue.

The suit filed in the Leon County Circuit Court contends that the new law and increased rate is unconstitutional, arbitrary, unreasonable and discriminatory as it will primarily affect the revenues of only eight of the 14 dog tracks operating in the state. The Volusia Kennel Club, Daytona Beach, and the Biscayne Kennel Club, Miami, joined in the action.

Mr. and Mrs. Dick Parrish and children have taken a cottage on Ft. Myers Beach where they will spend a month.

Clemons Wins Rodeo Honors

KISSIMMEE—Pete Clemons of Brighton came off as the all around winning cowboy in the ninth annual Silver Spurs Rodeo which ended here today.

Clemons—who has title to half of Gary Starling's \$1000 Florida championship saddle—topped the bareback and saddle bronc riding events and placed second in the bulldogging according to final figures released by Arena Secretary Katharine Autrey.

Red Martin of Pompano averaged less than 15.5 seconds in the two go-rounds to tie up the calf roping contest. Following him were D. D. Faltin of Okeechobee, Harold Mills of Chiefland and Albert Barthle of San Antonio, in that order.

Following Clemons in bareback bronc riding were Win Stork of Okeechobee, Jim Troverson, and Mack McClain of Kissimmee; runners up in the saddle bronc riding were Vick, Blaine of Parrish, Gary Hopkins of Kissimmee and McClain.

Joe Astling of Miami led the bull riding finals, followed by Jimmy Knowles of Hialeah and Gene Ellerkamp of Davie, splitting honors for second place, and Clark.

Knowles topped the steer wrestling, while third place went to Jim Tom Day of Davie and fourth to Barthle.

Sonny Lambert of West Palm

Beach won the wild cow milking. Faye Blackstone of Parrish led the girls cloverleaf racing, with 39.9 seconds time for two races. Shirley Reaves of Fort Pierce placed second, and Peggy Banks of Melbourne and Joan Shui of Kissimmee tied for third.

Big Boss Earl Murphy declared the 1953 show was a success, crediting excellent weather and a record number of contestants for the crowd of 10,500 spectators who saw the three performances.

Personal Items

Mr. and Mrs. F. G. Gillis and children Wynell, Douglas, Betty Rae and Timothy visited friends and relatives in Northwest Florida and Alabama for two weeks.

Mr. and Mrs. Thomas Elliott and sons, Tommy and Larry have returned from Shelbyville, Tenn., where they visited Mrs. Elliott's parents, Mr. and Mrs. J. B. Faulk.

Mrs. C. W. Connelley of Coral Gables is the house guest of her son-in-law and daughter, Mr. and Mrs. J. S. Chastain. Miss Dorothy Chastain has as her house guest Miss Connie Singletary of Thomasville, Ga.

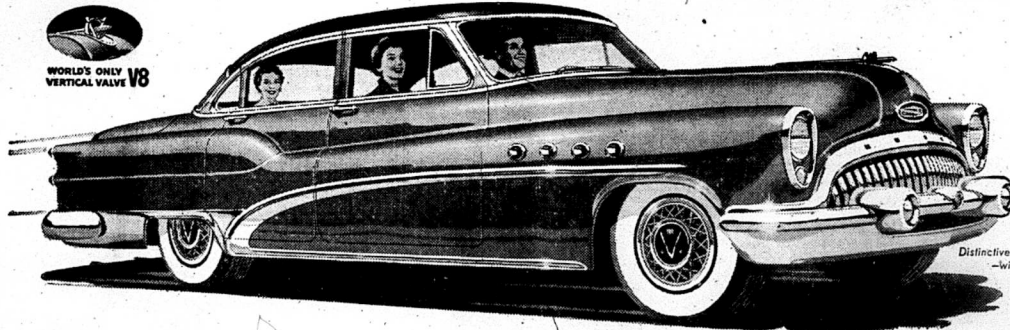

Minute Maid Corporation was recently granted the first permit to be issued by the Florida Citrus Commission for the experimental processing of the new fivefold frozen orange juice.

Ever try the lap of Luxury?

Deep, foam-rubber cushioning in both the seats and the seat backs lends added luxury to ROADMASTER comfort.

WORLD'S ONLY VERTICAL VALVE V8

Distinctive sports-car touch—wire wheel covers, as illustrated optional at extra cost.

We'd like to spoil you a bit.

We'd like to seat you in a 1953 Buick ROADMASTER and let you be coddled in the most sumptuous comfort on four wheels.

What we have in mind is more than just a sampling of the spacious roominess here—and of the cushions that cradle you in opulent and enveloping softness.

It's the magnificent luxury of ROADMASTER travel that we'd like you to know...

The soul-satisfying feel of bossing almost limitless power from the world's newest and most advanced V8 engine...

The casual ease—with which you command sparkling getaway from Twin-Turbine Dynaflo—and the sheer comfort of its new quiet and infinite smoothness...

The matchless gentleness and levelness of ride from all-coil springing, torque-tube steadiness, liquid-smooth power delivery—making you barely aware of motion, of road irregularities, of stopping and starting...

And the consummate ease-of-handling you enjoy from the most maneuverable ROADMASTER in Buick history. A car with the hydraulic help of POWER STEERING. A car with the velvety control of

still finer braking—plus the added convenience of Power Brakes,* if you wish.

Surely, you ought to look into this supremely satisfying ROADMASTER for 1953—and see for yourself that the lap of luxury is more than a figure of speech when you take your seat here. Why not visit us soon?

*Optional at extra cost.
